

MEDIA ADVISORY

McMurdo to Discuss the Future of Combat Search and Rescue Technology at the 55th Annual SAFE Symposium

LANHAM, Md., October 26, 2017 – Orolia, through its McMurdo brand, the most trusted name in emergency readiness and response, announced today that industry Mark Cianciolo, VP Americas, and Dr. Gaurav Bajpai, Senior Scientist, will participate in two presentations on combat search and rescue (CSAR) at the [55th Annual SAFE Symposium](#) in Orlando, FL.

PANEL: Combat and Non-Combat Search and Rescue

Speakers:

Mr. Mark Cianciolo, VP Americas, Orolia
ASTC Robert Morgan, Rescue Swimmer, US Coast Guard
Ms. Lori Bell, Rescue and Survival Equipment Subject Matter Expert, NAVAIR

Date/Time/Location:

October 30 from 10:45 am to 11:45 am in Grand Sierra H

Summary:

Next-generation technology advancements are helping to reduce the probability of signal detection and interception by enemy troops. Yet, new technologies often prompt innovation of counter-technologies soon after. When it comes to quickly locating combat personnel in distress – covertly – what does it take to stay one step ahead of the enemy? Hear from our panel of military and civilian leaders about their real-world concerns for planning and executing these vital missions.

BRIEFING: Five Ways MEOSAR is Transforming Combat Search and Rescue

Speakers:

Dr. Gaurav Bajpai, Senior Scientist, Orolia
Mr. Mark Cianciolo, VP Americas, Orolia

Date/Time/Location:

November 1 from 9:00 am to 9:30 am in Grand Sierra I

Summary:

McMurdo's presentation will address how second generation SARSAT technologies can better support combat search and rescue missions, including topics such as:

1. SAR Satellites and the LGM System
2. Secure Data Networks
3. Broad Spectrum Signal Technology
4. Return Link Capability for Beacons
5. STL and Assured PNT

McMurdo will also be exhibiting at Booth #300 at the SAFE Symposium, where Mark Cianciolo and Dr. Gaurav Bajpai will be available for on-site briefings and demos. For more information on McMurdo, please visit: www.mcmurdogroup.com.
